Information notice

Texte de référence : décret n° 2004-1237 du 17 novembre 2004

You live in Toulouse and wish to host a non-European foreign national who requires a visa, for a private or family stay of less than 3 months. You must apply for a **Hosting Certificate (Attestation d'accueil)** at the Toulouse City Hall.

This certificate, which is subject to certain **housing and financial conditions**, must, once validated by the Mayor, be **sent to your guest before their departure**, so they can apply for a visa with the French authorities in their country of residence.

⚠ Important notice: Housing conditions (habitable surface area) and the host's monthly income requirements are regularly adjusted based on the net monthly minimum wage and family composition. You are strongly advised to call the information line at 05 31 22 90 00 before booking an appointment, to check whether you meet the required criteria.

The administration reserves the right to request any additional documents or information if necessary.

➔ How to apply?

Applications for a hosting certificate are accepted **by appointment only**, which can be booked:

- On the City Hall's website: metropole.toulouse.fr

📅 Validity Period of the Hosting Certificate

The certificate must specify the intended arrival and departure dates, within a maximum of 90 days.

These dates must exactly match the period requested for the visa.

👤 Who can apply?

Any adult, whether French or foreign, who resides or has a secondary residence in the city of Toulouse.

The applicant must be either the official owner or tenant of the property and must attend the appointment to complete and sign the application.

- If the applicant's spouse or PACS partner is not listed on the housing documents, they must provide: Proof of union less than 3 months old, or A signed declaration of agreement for hosting the guest.
- If the applicant is unable to complete the application themselves, they may be accompanied by a third party to assist in filling out the form.

☑ Conditions for Approval

The issuance of a Hosting Certificate depends on:

- Verification of **adequate housing conditions**, particularly the **habitable surface area**, and
- The **financial resources** of the host.

The host must **commit to covering the guest's expenses** during their stay, should the guest be unable to do so.

Only the spouse and minor children under 18 of the hosted foreign national can be included on the same certificate.

✗ Other family members, friends, or relatives cannot be included.

🕒 Processing Time

The certificate is issued within 15 working days from the date of application.

It is recommended to book your appointment well in advance of the planned stay, to ensure that the certificate reaches the guest in time for their visa application process.

⌚ Collection of the certificate does not require an appointment.
